

**R E M A R K S**

In the Notice To File Missing Parts Of Nonprovisional Application mailed July 2, 2004, the Patent Office asserted Figure 15(a) contained "excessive text." The Applicants now amend the specification to include the "excessive text" of Figure 15(a). If the Examiner deems that an interview would be helpful, he/she is urged to contact the undersigned at the telephone number listed below.
